Lotus Technology to Acquire 51% Equity Interest of Lotus Advance Technologies and Integrate All Business under Lotus Brand

NEW YORK – 16 April 2025

Lotus Technology Inc. ("Lotus Tech" or the "Company") (Nasdaq: LOT), a leading global intelligent and luxury mobility provider, today announced that Geely International (Hong Kong) Limited ("Geely") exercised its put option on April 14, 2025, requiring us to purchase 51% of the equity interests in Lotus Advance Technologies Sdn Bhd ("Lotus UK") held by Geely pursuant to the Put Option Agreement dated January 31, 2023 between the parties.

Lotus UK controls the manufacturing operations for Lotus' sportscars and hyper cars, and Lotus Engineering which provides comprehensive consultancy services to many of the OEMs and Tier 1 suppliers around the world.

Pursuant to the exercise of put option from Geely, the Company expects to acquire 51% of the equity interest in Lotus UK through a non-cash transaction based on a pre-agreed pricing method. Upon completion, the Company will gain control over Lotus UK and consolidate its financial results. The strategic transaction will enable the Company to integrate all businesses under Lotus brand.

The acquisition is expected to be completed in 2025, subject to potential regulatory approvals.

In conjunction with the business combination between the Company and L Catterton Asia Acquisition Corp, a special purpose acquisition company affiliated with L Catterton, a leading global consumer-focused investment firm, the Company and Lotus UK entered into a Put Option Agreement with each of Geely and Etika. Pursuant to these agreements, each of Geely and Etika was granted the right to require the Company to acquire its equity interest in Lotus UK at a pre-agreed pricing method* and upon satisfaction of the condition ("Put Option Exercise Condition") that the total number of vehicles sold by Lotus UK and its subsidiaries shall exceed 5,000 in 2024, with the exercise of such options by Geely and Etika not cross-conditioned on one another. As of December 31, 2024, the Put Option Exercise Condition had been satisfied.

Mr. Qingfeng Feng, Chief Executive Officers, said: "This acquisition marks a critical milestone in our strategic journey to fully integrate all businesses under the Lotus brand, which will strengthen brand equity and enhance our operational flexibility and internal synergies. We are confident that the transaction will create substantial long-term value for our shareholders."
